AMCRE PRESIDENT'S MESSAGE

Well summer has arrived with all the heat that we need. Remember to stay hydrated, drink lots of the liquids. Stay cool and enjoy the summer!

We are having our summer picnic at Tim and Claire Marsh's home this year, at their invitation. They say that we will have lots to do there, mow lawns, trim trees and bushes, cut firewood, or just read further on in the newsletter, and see that we will just show up drink whatever you brought to drink. Unless you just want water which will be provided. Then eat, chat with friends, and enjoy!

If you know of anyone that has not changed their AMCRE dues to \$2.00 as of yet, please ask them to do so.

I was in error at the meeting in May the dues increase from Sacramento CRCEA is \$.17 a month per person, to help pay for the conferences.

We are able to give out two scholarships this year. See you all at the SUMMER BBQ!

Tom Sngram
President/ CRCEA representative

2024/2025 SCHOLARSHIP INFORMATION

By Cyndi Montesonti/Scholarship Chair

Financially 2023/2024 was a rough year for AMCRE. Things look brighter now. At the time of this writing, I

had received many phone calls requesting an extension of time to submit the application

for a scholarship. The Committee agreed to extend the deadline from May 31, 2024 to June 8, 2024. By June 8th, we received six applications. Therefore, the Committee will meet late June and will announce the two scholarship winners. They will receive \$500 each semester with proof of full-time enrollment into a college, university, or trade school. If your child, grandchild or you won a Scholarship from AMCRE, be sure they read and understand the deadlines for submitting paperwork for their Award reimbursement. The winners will be invited to the Monday, August 12, 2024 summer BBQ. Details in this newsletter. All information regarding applying for scholarships is on our website at *amcre.org* under the Scholarship tab.

CAN YOU TRADE THAT PILL FOR FOOD OR

IF YOU MUST, HAVE BOTH.

One of the best ways to get all of your essential vitamins and minerals is the old-fashioned way: through a healthy, balanced diet (proteins, veggies, fiber and fluids).

Here's where you can find calcium, vitamin D and vitamin B12:

- Calcium: tofu, broccoli, collard greens, kale and various dairy products
- Vitamin D: yogurt, milk, fatty fish, beef liver, mushrooms
- Vitamin B12: poultry, meat, clams, dairy, eggs

Of course, follow your doctor's advice and check with the doctor before you add any new vitamins into your diet.

I'VE BEEN TO A LOT OF PLACES
BUT I'VE NEVER BEEN IN CAHOOTS.
APPARENTLY YOU CAN'T GO ALONE,
YOU HAVE TO BE IN CAHOOTS WITH
SOMEONE. I'VE ALSO NEVER BEEN IN
COGNITO, EITHER. I HEAR NOBODY
RECOGNIZES YOU THERE. I HAVE,
HOWEVER, BEEN IN SANE. THEY
DON'T HAVE AN AIRPORT. YOU HAVE
TO BE DRIVEN THERE. I HAVE
MADE SEVERAL TRIPS.

Retirees: Are you current on all your vaccinations? Be sure you stay current on your tetanus shot (every 10 years). Check with your physician and pharmacy. You can receive a print out of all your shots from wherever you get them.

REMINDER TO FILL OUT AND MAIL IN

Application for Membership AND Authorization for Automatic Deduction

Effective in 2023, the Board of Directors voted to increase our dues for AMCRE from \$1.00 per month to \$2.00 per month. By now, current retirees should have signed the form to have their dues increased and return it to MCERA (the Retirement Office). MCERA is not allowed to take \$2.00 per month out of your pension unless you sign the authorization form. It is on our website. You can print it out, completely fill everything in including your email, sign it and leave it at MCERA or mail to the address below as soon as possible. If you can't print it, stop by MCERA and fill out the form there or email AMCRE amcremendocino@gmail.com at our website and request that a form be sent to you. Any new retiree is automatically charged \$2.00 per month for AMCRE dues. This will build our Treasury up to award scholarships and keep up with the costs of maintaining the website, putting out a newsletter to people that cannot get it emailed and costs of providing you with a newsletter three times a year. Please fill out the form and return it if you have not done so. There are 307 people that receive *The Connection* in hard copy. These people should be sure they signed the form to increase their dues to \$2.00 per month and send to MCERA. We would appreciate it if our entire membership of retirees will do this as well. We have 1,036 members and so far only 329 have returned the form to MCERA increasing their dues from \$1.00 per month to \$2.00 per month. We need all retirees to completely fill out the form in this newsletter on the next page; current info and email address, sign and return to the address below to:

CHECK FOR SIGNS OF HEAT EXHAUSTION

- tiredness
- dizziness

- feeling sick or being sick
- excessive sweating and skin becoming pale and clammy or getting a <u>heat rash</u>, but a change in skin color can be harder to see on brown and black skin

THINGS YOU CAN DO TO COOL SOMEONE DOWN

If someone has heat exhaustion, follow these 4 steps:

- 1. Move them to a cool place.
- 2. Remove all unnecessary clothing like a jacket or socks.
- 3. Get them to drink a sports or rehydration drink, or cool water.
- Cool their skin spray or sponge them with cool water and fan them. Cold packs wrapped in a cloth and put under the armpits or on the neck are good too.

Stay with them until they're better. They should start to cool down and feel better within 30 minutes.

EASY STRAWBERRY COBBLER

TOTAL TIME: Prep: 20 min. Bake: 35 min. + standing

YIELD: 6 servings. Strawberry Cobbler is one of my favorite spring and summertime treats, especially served warm with a dollop of whipped cream on top. The biscuits in this recipe bake up golden brown with a buttery cotton soft middle. The fluffy topping is also perfect for soaking up all that strawberry filling.

Filling:

- 2 pounds fresh strawberries, I also added blueberries, hulled and quartered
- 1/2 cup sugar
- 3 tablespoons all-purpose flour

Topping:

- 1-1/2 cups all-purpose flour
- 3 tablespoons sugar, divided
- 3 teaspoons baking powder
- 1/4 teaspoon salt
- 1/4 cup cold butter
- 1-1/4 cups heavy whipping cream
- Whipped cream, optional

Direction:

- 1. Preheat oven to 350° degrees. Arrange strawberries in a greased 9x9-in. baking dish. Sprinkle with sugar and flour; toss to coat.
- In a small bowl, combine flour, 2 tablespoons sugar, baking powder and salt. Cut in butter until mixture resembles coarse crumbs. Stir in cream just until moistened. Spoon over strawberries. Sprinkle with remaining 1 tablespoon sugar.
- 3. Bake until topping is lightly browned and filling is bubbly, 35-40 minutes. Let stand 10 minutes before serving. Serve warm with whipped cream if desired.

Preventing a Fall

More than 1 in 4 older adults report falling each year—this results in about 37 million falls. ⁶ Falls can cause serious injuries such as broken bones or a head or brain injury. ⁷ But falls are not a normal part of aging—they can be prevented.

You can take action to prevent falling and stay independent longer.

There are simple steps you can take to keep yourself from falling and stay healthy and independent longer.

Speak up

- Tell your doctor if you have fallen, if you feel unsteady when standing or walking, or if you are afraid you might fall.
- Ask your doctor or pharmacist to review the medicines you take. Some medicines might make you dizzy or sleepy which can increase your risk of falling.
- Have an eye doctor check your eyes at least once a year and update your eyeglasses as needed.
- Have your doctor check your feet at least once a year and discuss proper footwear to reduce your risk of falling.
- Ask your doctor about health conditions like depression, osteoporosis, or hypotension that can increase your risk for falling.

Stay active

 Do exercises that make your legs stronger and improve your balance, like Tai Chi.

Make your home safer

- Get rid of trip hazards like throw rugs, and keep floors clutter free.
- Brighten your home with extra lighting or brighter light bulbs.
- Install grab bars in the bathroom(s)—next to the toilet and inside and outside of your bathtub or shower.
- Install handrails on both sides of staircases.

Signs of Problem Gambling

Not all gambling or gaming is unhealthy; however, if you are unsure if your loved one has a gambling problem, review the list below. The <u>American Psychiatric Association</u> requires at least four of the following during the past year:

- Need to gamble with increasing amount of money to achieve the desired excitement.
- 2. Restless or irritable when trying to cut down or stop gambling.
- 3. Repeated unsuccessful efforts to control, cut back on or stop gambling.
- 4. Frequent thoughts about gambling (such as reliving past gambling experiences, planning the next gambling venture, thinking of ways to get money to gamble).
- 5. Often gambling when feeling distressed.
- 6. After losing money gambling, often returning to get even (referred to as "chasing" one's losses).
- 7. Lying to conceal gambling activity.
- 8. Jeopardizing or losing a significant relationship, job or educational/career opportunity because of gambling.
- 9. Relying on others to help with money problems caused by gambling.

If you suspect your loved one has a gambling problem, please call or text the <u>National Council on Problem Gambling</u> hotline at 1-800-522-4700 or chat at ncpgambling.org/chat.

ComForCare

A 30-year Harvard study reveals the 5 simple habits that may prolong your life by 10 years or more

- 1. Maintain a healthy diet
- 2. Exercise daily
- 3. Keep a healthy weight
- 4. Limit your alcohol intake
- 5. Don't smoke

Can you trade that pill for food or, if you must, have both.

One of the best ways to get all of your essential vitamins and minerals is the old-fashioned way: through a healthy, balanced diet (proteins, veggies, fiber and fluids). Here's where you can find calcium, vitamin D and vitamin B12:

- Calcium: tofu, broccoli, collard greens, kale and various dairy products
- **Vitamin D**: yogurt, milk, fatty fish, beef liver, mushrooms
- **Vitamin B12**: poultry, meat, clams, dairy, eggs Of course, follow your doctor's advice and check with him before you add any new vitamins into your diet.
